

Journal of Medical Ethics

Contents

The concise argument

- 799 The importance of ethical expertise
J R McMillan

Viewpoint

- 801 National Standards for Public Involvement in Research: missing the forest for the trees
M S McCoy, K R Jongsma, P Friesen, M Dunn, C P Neuhaus, L Rand, M Sheehan

Clinical ethics

- 805 Ethics rounds: affecting ethics quality at all organisational levels
D Schmitz, D Groß, C Frierson, G A Schubert, H Schulze-Steinen, A Kersten

- 810 How to read an ethics paper
M Jansen, P Ellerton

Reproductive ethics

- 814 I love my children: am I racist? On the wish to be biologically related to one's children
E Di Nucci
- 817 Does egg donation for mitochondrial replacement techniques generate parental responsibilities?
C Palacios-González

Response

- 823 Pathways to genetic parenthood for same-sex couples
T F Murphy

Reproductive ethics

- 825 The need for donor consent in mitochondrial replacement
G O Schaefer

Research ethics

- 830 On the personal utility of Alzheimer's disease-related biomarker testing in the research context
E M Bunnik, E Richard, R Milne, M H N Schermer

December 2018 Volume 44 Issue 12

Extended essays

- 835 Lesbian motherhood and mitochondrial replacement techniques: reproductive freedom and genetic kinship
G Cavaliere, C Palacios-González
- 843 Developing an ethics framework for living donor transplantation
L F Ross, J R Thistlethwaite
- 851 In the patient's best interest: appraising social network site information for surrogate decision making
S Siddiqui, V T Chuan
- 857 Patient preference predictors and the problem of naked statistical evidence
N P Sharadin

Responses

- 864 Messy autonomy: Commentary on Patient preference predictors and the problem of naked statistical evidence
S D John
- 865 'No' to lesbian motherhood using human nuclear genome transfer
F Baylis
- 868 Organismal death, the dead-donor rule and the ethics of vital organ procurement
X Symons, R M Chua
- 872 An unquestioned assumption in the debate on the dead donor rule
M Nair-Collins

Commentary

- 874 Reviewing code consistency is important, but research ethics committees must also make a judgement on scientific justification, methodological approach and competency of the research team
S Trace, S Kolstoe

Ethics briefing

- 877 Proposed changes to the process for changing legal gender in the UK • Childhood immunisations and best interests • Assisted dying law reinstated in California • Decriminalisation of abortion • Home Secretary rules out 'buffer zones' around abortion clinics in England and Wales
C Wilson, S Brannan, R Campbell, V English, O Lines, J C Sheather
