

Journal of Medical Ethics

Contents

The concise argument

- 649** Futility: a perennial issue for medical ethics
J McMillan

Clinical ethics

- 650** Family members, ambulance clinicians and attempting CPR in the community: the ethical and legal imperative to reach collaborative consensus at speed
R Cole, M Stone, A Ruck Keene, Z Fritz

Current controversies

- 654** Meaningful futility: requests for resuscitation against medical recommendation
L Vivas, T Carpenter
- 657** Experiment on identical siblings separated at birth: ethical implications for researchers, universities, and archives today
R L Klitzman, A M Kelmenson

Feature article and commentaries

- 662** Social determinants of health and slippery slopes in assisted dying debates: lessons from Canada
J Downie, U Schuklenk
- 670** MAID's slippery slope: a commentary on Downie and Schuklenk
T Koch
- 672** Eligibility for assisted dying: not protection for vulnerable people, but protection for people when they are vulnerable
J P Winters
- 674** Taking the long view on slippery slope objections
E Mathison
- 676** Eligibility and access to voluntary assisted dying: a view from Victoria, Australia
R J McDougall, D Ko

Original research

- 678** Trust and consent: a prospective study on parents' perspective during a neonatal trial
S Dahan, C Jung, G Dassieu, X Durrmeyer, L Caeymaex

October 2021 Volume 47 Issue 10

- 684** Should higher-income countries pay their citizens to move to foreign care homes?
B de Vries

Extended essay

- 689** Taking it to the bank: the ethical management of individual findings arising in secondary research
M Graham, N Hallowell, B Solberg, A Haukela, J Holliday, A Kerasidou, T Littlejohns, E Ormondroyd, J-A Skolbekken, M Vormanen, The Northern European Returning Results Network

Student essays

- 697** Physician unionisation in the USA: ethical and empirical considerations and the free-rider problem
A S Byju, K Mayo
- 701** Prescribing meaning: hedonistic perspectives on the therapeutic use of psychedelic-assisted meaning enhancement
R Miceli McMillan

Brief report

- 706** Procedural safeguards cannot disentangle MAiD from organ donation decisions
Z Buturovic

Responses

- 709** Persuasion, not coercion or incentivisation, is the best means of promoting COVID-19 vaccination
S Pennings, X Symons
- 712** Why we should not extend the 14-day rule
B P Blackshaw, D Rodger

Ethics briefing

- 715** Mandatory vaccination for COVID-19 of health and social care workers • Reporting restrictions in end-of-life cases – court rules continuing anonymity for treating clinicians • Physician-assisted dying
D Norcliffe-Brown, S Brannan, M Davies, V English, C A Harrison, J C Sheather
