# Guidelines for Authors and Reviewers

Full instructions are available online at http://jme.bmj.com/ pages/authors/. Articles must be submitted electronically http://mc.manuscriptcentral.com/ medethics. Authors retain copyright but are required to grant Journal of Medical Ethics an exclusive licence to publish http://authors.bmj.com/ submitting-your-paper/ copyright-and-authors-rights

#### Impact factor: 2.021

Disclaimer: The Editor of the Journal of Medical Ethics has been granted editorial freedom. The Journal of Medical Ethics is published in accordance with editorial guidelines issued by the World Association of Medical Editors and the Committee on Publication Ethics. The Journal of Medical Ethics is primarily intended for healthcare professionals and its content is for information only. The Journal is published without any guarantee as to its accuracy or completeness and any representations or warranties are expressly excluded to the fullest extent permitted by law. Readers are advised to independently verify any information on which they choose to rely. Acceptance of advertising by the Journal of Medical Ethics does not imply endorsement. Neither the Institute of Medical Ethics nor BMJ Publishing Group Limited shall have any liability for any loss, injury or damage howsoever arising from the Journal of Medical Ethics (except for liability which cannot be legally excluded).

Journal of Medical Ethics reflects the whole field of medical ethics and aims to encourage a high academic standard for this ever-developing subject, and the enhancement of professional and public discussion
