Institute of Medical Ethics
The Institute of Medical Ethics is an independent, non-partisan organisation for the multidisciplinary study of medico-moral issues raised by the practice of medicine, and concerned with research, education, and information. The Institute aims to improve the quality of professional and public discussion of medico-moral questions; to promote the study of medical ethics; to promote high academic standards for this ever-developing subject; to encourage a multidisciplinary approach to discussion of the consequences of clinical practice; to stimulate research into specific problems; and to remain non-partisan and independent of all interests and groups and lobbying.
