Mental Illness: Law and Public Policy

Eds Baruch A Brody and H Tristram Engelhardt Jr
$28.95

The book is a valuable contribution to the literature on mental illness, law, and public policy, offering a range of perspectives from medical, legal, and ethical viewpoints. The book is divided into several parts, each focusing on a specific aspect of mental illness, law, and public policy. The chapters are written by leading experts in the field, providing a comprehensive overview of the issues.

Under the Doctor

Standford Bourne
Avebury Publishing Co: Gregg International, Amersham, Bucks
£12.00 hardback, £5.95 paperback

The book offers a historical and critical examination of the role of the doctor in the treatment of mental illness. It explores the ethical and legal implications of medical interventions, focusing on the relationship between the doctor and the patient. The book is a valuable resource for medical professionals, legal scholars, and policymakers.
